Important

In studying Dianetics and Scientology be very, very certain you never go past a word you do not fully understand.

The only reason a person gives up a study or becomes confused or unable to learn is that he or she has gone past a word or phrase that was not understood.

Trying to read past a misunderstood word results in mental "fogginess" and difficulty in comprehending the passages which follows. If you find yourself experiencing this, return to the last portion you understood easily, locate the misunderstood word and get it defined correctly—and then go on.

The Aims of Scientology and APIS

Lafayette Ron Hubbard first issued the 'Aims of Scientology' which of course still stands. Yet, despite holding a copyright on these aims the Church of Scientology, RTC and the CST do not appear to be following these aims fully. Therefore it behooves us to take some responsibility and set out our aims, based upon the aims that Ron first envisaged as something which we can honestly strive to attain.

We therefore stated below:

The Aims of APIS

To contribute towards having a sane society by the promotion, expansion and application of the technology to the point where people can live their lives in peace and security and without war or insanity and where they can honestly flourish and prosper and attain higher levels of spiritual being.

APIS is non political in nature and welcomes any individual of any creed, race or nation.

APIS does not seek revolution. APIS seeks only to assist in paving the way for evolution to higher states of being for the individual and for society. After endless millennia of ignorance about himself, his mind and the universe, a breakthrough has been made for man by Lafayette Ron Hubbard with the philosophy and the technology he developed to free man from the shackles of his mind.

According to Lafayette Ron Hubbard, "The combined truths of fifty thousand years of thinking men, distilled and amplified by new discoveries about man, have made for this success."

We welcome you to APIS. We would like your help in achieving our aims and helping others and we hope to be able to help you in return.

The original working technology of Lafayette Ron Hubbard is the most vital movement on Earth today. In a troubled world, the job of promoting and applying this technology is not easy. But then, if it were, we wouldn't have to be doing it.

APIS does not owe its help not having done anything to caused it to propitiate. We are here because we want to be here and we want to assist Ron in his aims.

As Ron says:

"Man suspects all offers of help. He has often been betrayed, his confidence shattered. Too frequently he has given his trust and been betrayed. We may err, for we build a world with broken straws. But we will never betray your faith in us so long as you are one of us.

The sun never sets on Scientology.

And may a new day dawn for you, for those you love and for man.

Our aims are simple, if great.

And we will succeed, and are succeeding at each new revolution of the Earth.

Your help is acceptable to us.

Our help is yours."

Wins and Successes in the Scientology Independent Field

Life Repair

I remember coming into this thinking 'I'm broken' and that all the stuff in my life will haunt me for the rest of my life, and thinking that I was trapped in this dark, scary, unhappy place, and that I didn't deserve better because of the things I've done, and the people I've hurt (me included).

What I gained from all of this is that we are all broken and forgivable and are worthy of happy, successful and fulfilling lives. But what I learned more importantly is that no one else but us is responsible for our happiness and success. I've learned to forgive myself, accept myself, love myself, and be proud of myself, and others as well.

Maybe the biggest success is forgiving people who have hurt me, betrayed me, deceived me, and didn't accept me. That's their loss, and I'm not going to be affected by it. I have a clear

head on now and am ready to kick some serious butt!

Life Repair

As of this day I can honestly attest that my life and survival has improved to the point where I am looking to the future in a very positive frame of mind. My auditing with Trey has been amazing and I feel like I have been released from holding onto any past concerns in my present life. I am ready to step forward into the light and make wonderful things happen in my life and in the lives of the people close to me.

Grade Zero

I have always felt I could communicate to any one on any subject so I was not really expecting any fireworks on this level. Well...there was more to this level than meets the eye for sure. I line charged in one session, and after

another session I got more of an awareness of communication on the 3rd and 4th dynamic. Then today on my way to session I got this flow where I just felt compassion for all beings, and no ridges on flowing ARC to anyone. I cried because it was just too much to hold into this little body. We addressed things I "knew" I had no charge on. Ha Ha Ha. These were the biggest wins. I feel freer and more in comm with society as a whole, and my ability to grant beingness is a whole lot bigger. For the first time, I can honestly say I am a different being. I am getting a lot freer. I just love Trey! He is superduperfragalisticexpalidocious. I feel lucky to have pulled him in. Thanks to LRH for dedicating his life to coming up with the tech to set us all free.

Grade Zero

Grade O has been absolutely wonderful. I have spent my whole life afraid to speak up, much to my detriment. In the past I have allowed others to misuse me with their comm, and invalidate my viewpoint. About half way through the grade, I suddenly began communicating without fear and with confidence. I was no longer worrying about how my communication would be received, or checking the environment to see if it was "safe" to communicate my viewpoint.

What I have received from the grade was not just the ability to communicate, but the ability to communicate from a viewpoint. My view-

point! Now that I have this, I have my integrity back. What is true for me is true for me. What I have observed is what I have observed. I have truth, my truth, and now I can share it without worry or self-doubt. Thank you LRH for this profound gift you have left the world, and thank you Trey for your wonderful auditing.

Grade One

I just completed Grade 1 and I now know for sure that I have the ability to recognize the source of problems and make them vanish without any doubt whatsoever. I've actually seen how man problems I've created and have now started to handle so that they vanish. I'm really happy to have this ability. Thanks Trey for this new ability.

~ CLEAR SUCCESS ~

I am truly in a different space in time. I am truly exterior and cause in this universe on my 1st dynamic without circuits and machinery. I could never even imagine the space I find myself in. It is truly hard to communicate this state. It's sort of like I see others but they don't see or feel my machinery any longer, but just see a beautiful beingness.

Basic Principles

A Quote from
Fundamentals of Thought by
L. Ron Hubbard

Like engineering, Scientology has certain basic principles. These are necessary to a full understanding of the subject. It is not enough to know how to process (drill) people in Scientology. To be effective (good) one must also know the basic principles. Scientology is very exact. The humanities (human studies) of the past were full of opinions. Scientology is full of facts that work.

To study Scientology one should scan (skim) quickly through the basics and find something with which one can agree. Having found ONE THING (one fact) with which he can agree, one should then skim through again and find another fact. One should continue to do this until he feels some friendliness to the subject. When one has achieved this, and *only* when one has achieved this, he should then study all the basic principles. There is no effort here to be authoritarian (opinionated). No one will try to make the subject difficult.

You may have been taught that the mind (thought, the brain) is a very difficult thing to know about. This is the first principle of Scientology: It is possible to know about the mind, the spirit and Life.

The Cycle of Action

The most fundamental idea in Scientology is called the CYCLE OF ACTION. CYCLE = a span of time with a beginning and an end = a section of the totality of time with a beginning and an end = in beginningless and endless time one can set out periods which do have a beginning and an end insofar as action is concerned. ACTION = motion or movement = an act = a consideration that motion has occurred. In very ancient books it is written that from chaos came birth, from birth there was growth, when growth was achieved there was then a gradual decay, the decay then ended in death. After death there was chaos.

Scientology expresses this more briefly. THE CYCLE OF ACTION IS AN APPARENCY AS FOLLOWS: CREATE, then SURVIVE, then DESTROY; or Creation, Survival, Destruction. First there is Creation. Then this is followed by Survival. Then this is followed by Destruction. APPARENCY = appears to be, as distinct from what actually IS.

This cycle is only an APPARENCY. It is what we see, what we behold, what we believe. We CONSIDER (think, believe, suppose, postulate) that it is so and then we see it so.

A child is born, he grows, he reaches manhood, he grows old, he dies. In Scientology it can be seen that none of these steps are necessary. One considers them so, and so they are "true". A man can grow old quickly or slowly. He grows old to the degree that he believes he is growing old. Because everyone AGREES that this is the way things are, they go that way. The cycle is not TRUE. It is only AP-

PARENT. It is APPARENT because we believe we see it.

It is APPARENT because we AGREE that it should be so.

The test of this principle is as follows: By using the CYCLE OF ACTION can we make anyone well or more intelligent? Thousands of tests have proven that the use of and belief in the CYCLE OF ACTION has made none well or intelligent. Therefore, no matter if we see it, there must be something wrong with it. The woman, growing old, wishing to appear younger, is protesting this CYCLE OF ACTION. She feels there is something wrong with it. There is. We have to find out what the ACTUAL cycle is before we can make people better.

ACTUAL = what is really true = that which exists despite all appearances = that which underlies the way things seem to be = the way things really are.

THE ACTUAL CYCLE OF ACTION is as follows: CREATE, create-create-create, create-counter-create, no creation, nothingness. CREATE = make, manufacture, construct, postulate, bring into beingness = CREATE. Create-create-create = create again continuously one moment after the next = SURVIVAL. Create-counter-create = to create something against a creation = to create one thing and then create something else against it = DESTROY. No creation = an absence of any creation = no creative activity. AN ACTUAL cycle of action then consists of various activities, but each and every one of them is creative. The cycle of action contains an APPARENCY of SURVIVAL, but this is actually only a continuous creation. The APPARENT cycle of action contains DESTRUCTION, but the ACTUAL cycle of action tells us what destruction is. DESTRUCTION is one of TWO activities. DESTRUCTION is (in terms of action) a creation of something against a creation of some-

thing else. For example, a wall is seen standing. To be apparent it is necessary that the wall be constantly created. The act of "destruction" is to exert against the wall another creativeness, that of the action or activity of knocking the wall down.

Both the wall standing there and the action of knocking it down are "creative" actions. Because we may object to (argue against, dislike) a wall being knocked down, we vilify (swear at, scorn) the creativeness involved in knocking it down with the word "destructive". ACTUALITY tells us that there is no such thing as destruction. There is only creation against a creation. There is another "type of destruction" and this is NO MORE CREATION. By no longer being a party to (a member of) the wall's creation, the wall, in theory, can cease to exist for one. This is true in ACTUAL PRACTICE in Scientology.

REALITY is the way things appear. REALITY IS APPARENCY. To do anything about reality, one must search into and discover what underlies the APPARENCY. Of what does REALITY consist (what is Reality composed of)? We SEE an APPARENCY which has the CYCLE OF ACTION OF CREATE-SURVIVEDESTROY. More basically (fundamentally) this CYCLE OF ACTION contains nothing but CREATION.

If one stops making something completely and ceases to be a party to its manufacture, it no longer exists for one. If one ceases to create, there is nothingness. When one creates something or beholds something which is created, that thing is still being created. Even if one is creating something with his left hand and has forgotten about it with his right hand, the thing still exists. In other words, one can create something without knowing it is still being created.

Then one seeks to DESTROY it by a counter-creation (a creation against it). The result is a chaos created by two opposing creations.

LET US BE PRACTICAL. A science is not a science unless it is practical. A theory is no good unless it works. All the fancy and beautiful theory in the world is useless unless it has a use or a workability. Is this CYCLE OF ACTION THEORY USEFUL? It is. So long as we believe that we have to destroy with force in order to destroy at all, as long as we think in terms of destruction, we have chaos.

There is CREATING AND KNOWING ONE IS CREATING. There is CREATING AND NOT KNOWING ONE IS CREATING. When one drives a car or a cart he does many things (performs many acts) which he is not AWARE OF (conscious of, knows about), and these we call AUTOMATIC ACTIONS. One is doing something and is not aware that he is doing it. One starts to create something, then places this thought still active beyond his own reach and the creation continues to occur.

KNOWINGLY CREATING SOMETHING is always the first condition. One can then purposefully CONTINUE THE CREATION UNKNOWINGLY. Everything one is doing knowingly or unknowingly one is doing here and now, in the present instant, in present time. ONE KNOWINGLY STARTED ANY CREATION in some PAST moment. But the Creation is being done in the present moment. To stop any creation it can be established that one once knew one was creating it— finding that thought and making it known again—OR ONE CAN SIMPLY CREATE NEWLY AND CONSCIOUSLY WHAT ONE IS ALREADY CREATING UNCONSCIOUSLY (unknowingly).

In either case the creation stops. The WRONG WAY is to start a new creation to counter against the old creation; when one does this he

gets confusion and chaos. FOR EXAMPLE, a man has a bad leg. He is trying to “get well”. He seeks then to create a good leg. He goes to doctors and wants to be healed. The treatment is difficult and usually somewhat unsuccessful in the case of a very severely crippled leg. SOMETHING is creating a bad leg. Against this he is creating a good leg. The result is confusion and a bad leg.

BUT a THIRD creativeness is present. First something was creating, we hope, a good leg. Then a counter-creation (such as an accident to his leg) counter-created a bad leg. Now he is trying to counter-create again a good leg. The result is to wipe out the ORIGINAL GOOD LEG since THAT IS THE CREATION HE IS TAKING OVER AND EXPOSING WITH HIS EFFORTS TO GET WELL. He wants a good leg. The trouble with him is the counter-creation of a bad leg. The test is factual. Have him create (by a certain Scientology process) bad legs until the counter-creation of bad legs is wiped out and the ORIGINAL CREATION OF A GOOD LEG WILL REAPPEAR. This only fails when there is no original creation of a good leg, when the original creation of a good leg is gone.

FOR EXAMPLE, a man has a job. He works at it. That is to say he create-create-creates a job throughout the days, weeks and years. As long as he makes a job, the job exists. One day he DEPENDS upon (takes for granted) this job. He no longer creates it. It ceases to exist. He has no job. The APPARENCY is that he loafed (became lazy) and was discharged. The ACTUALITY is that he no longer created a job and so didn't have one.

FOR EXAMPLE, a man depends upon a woman to keep his house for him. One day he no longer has a woman. He can't keep house EVEN THOUGH BEFORE HE MARRIED THE WOMAN HE COULD KEEP HOUSE . FOR EXAMPLE, a man is sane. He gets the

idea (creates the idea) that it would be better to be insane. He starts to go insane (having created it) and then does numberless things in order to stay sane. Here he was already creating the state of sanity. He counter-created insanity. He then counter-created sanity against insanity. CREATION IN THIS WORK may be thought to exclude God. We are here considering only those things which man or man as a spirit can make or manufacture or think.

The subject of WHO or WHAT is doing the creation does not invalidate the cycle. This is a work on the subject of the mind, not a work on the subject of the Supreme Being. LYING is the lowest order of creativity. There are many tests for these principles in SCIENTOLOGY. Such tests come under the heading of PROCESSING .

Freedom

Fired on too many barriers, man yearns to be free. But launched into total freedom he is purposeless and miserable.

There is freedom amongst the barriers. If the barriers are known and the freedoms are known, there can be life, living, happiness, a game.

"REALITY IS THE AGREED UPON APPEARANCE OF EXISTENCE"

SCIENTOLOGY 8 8008
Lafayette Ron Hubbard

NON-SCIENTOLOGY STAFF

Whether by fate or fortune, you have found yourself to be a member of a group that has an interesting technology and a definite set of standards of conduct. Whether this is fortunate for you or unfortunate, you are yet a member of this group by the simple fact of working in it.

That you do not have any knowledge of its technology does not make you any less a member of this group.

You are only expected to uphold certain standards as a member of this group. These stand-

ards are rather easy to understand:

1. This group has accepted you at face value. No one of this group will hold your past against you. A person entering a Scientology group is looked upon as a person whose conduct now is important, but whose conduct in the past is utterly unimportant.
2. This group is composed of people who want to get more able in life and to live a better life. These people have, unlike others, enough courage to face their own past and misdeeds and recover from them. Ordinary people most often run from their past or blame it on others. When you see a person upset in an auditing session, it is because he had enough nerve to try to face his past and get the better of it. Such people are stronger and saner than people who,

like chips of wood, merely drift on life's river, or who cry and moan in the eddies that life has "done them in".

3. A person does not have to know Scientology to be a member of a Scientology group. They only have to believe people can be or deserve to be helped.

4. This group believes that honest people have rights and that dishonest people have sacrificed their rights by being dishonest. The definition of dishonesty is whether or not a person is trying to hurt his fellow human beings with malicious talk, hidden actions and injustice or outright crime.

5. This group frowns heavily on trying to prevent people from being processed by cautioning them against it, lying to them about it or just being ignorant of it.

6. This group believes that making a commotion around or talking around an injured person can hurt his chances of recovery. As this has often been proven to be true and can be demonstrated, members of this group do not talk to or around or make commotions around people who have just been hurt. They work quietly and silently to help the injured person.

7. A member of this group may be a member of any religion.

8. This group refuses to speak ill of Scientology or criticize it to outsiders.

9. This group will not talk about Scientology to members of the press.

10. There are the Code of Honour, the Code of a Scientologist and the Auditor's Code. All

other group standards are wholly technical. There are no secret standards.

As a member of this group, you are expected to uphold these elementary standards of conduct.

You are quite welcome to know more about Scientology, about life, and about your life. But nobody is going to force you to study it. Everyone on earth has problems. They would not be human if they didn't. Primarily Scientology helps people to come up to handling their problems instead of being handled by them.

Just suppose for a moment Scientology really worked. Just suppose it could really free men from pain and suffering and help them with their problems. Just suppose people you like or know were in need of help and Scientology could give it to them.

Scientology can help you if you haven't done things to hurt its people.

But however that may be, by working at Saint Hill, you are a member of Saint Hill. Its standards are those of Scientology. This is a good group. Be proud to be here.

We are glad to have you.

A Special Quote from the Volunteer Ministers Handbook by L. Ron Hubbard

Exercises One, Two and Three

Exercise One

Look and Act Younger: Sitting somewhere near the center of a room, close your eyes and "contact" the two upper corners of the room behind you. Then, holding those corners, sit still and don't think. Remain interested only in those two corners.

You can do this for two minutes (minimum) or two hours, always with benefit. No matter what happens, simply hold the corners and don't think.

You can do this daily. It will make you look and act younger.

Exercise Two

Feel Freer: Pick out two similar objects. Then find as many differences between them as possible.

Now pick out two objects and see where they are in relation to each other and your body.

Use these two steps over and over. You will feel freer and see better.

Exercise Three

Better your memory: Go over this list many times, each time answering its questions.

"Recall a time which really seems real to you."

"Recall a time when you were in good communication with someone."

"Recall a time when you agreed to something."

"Recall a time when somebody disagreed with you."

"Recall a time when you liked somebody."

"Recall a time when someone agreed with you."

"Recall a time when someone was communicating easily to you." "Recall a time when somebody liked you."

Use this list many times. If "holding corners" (Exercise One) disturbed you, use this list. If you are tired or confused, use it.

This exercises can be done for hours.

Expanded Know to Mystery Scale

But you get a condensation of knowingness. A condensation of knowingness occurs down to lookingness. One has something to look at. And then this condenses and we get emotion. And this condenses and we get effort. And this condenses and we get thinkingness -you know, figure-figure. And this condenses and we get symbols. And the symbols condense and we get eating and the eating condenses and we get sex and the sex condenses and we get mystery.

Now, we could go on down south again and say, below mystery we get peering. And below peering, why, we would of course get misemotion. And below misemotion we would get horror of effort. And below horror of effort, why, we would get something on the order of a circuit instead of thinkingness, you see.

And below this circuit, why, we would get incomprehensible symbols and sciences like psychology. And below, and below this circuitry we would get indigestion. And below indigestion we'd get sterility and impotence. And below this, why, we would get unconsciousness.

PERSONAL INTEGRITY

WHAT IS TRUE FOR YOU is what you have observed yourself
And when you lose that you have lost everything.

What is personal integrity?
Personal integrity is knowing what you know-
What you know is what you know-
And to have the courage to know and say what you have observed.
And that is integrity
And there is no other integrity.

Of course we can talk about honor, truth, all these things,
The esoteric terms.
But I think they'd all be covered very well
If what we really observed was what we observed,
That we took care to observe what we were observing,
That we always observed to observe.

And not necessarily maintaining a sceptical attitude,
A critical attitude or an open mind.
But certainly maintaining sufficient personal integrity
And sufficient personal belief and confidence in self
And courage that we can observe what we observe
And say what we have observed.

Nothing in Dianetics and Scientology is true for you
Unless you have observed it
And it is true according to your observation.
That is all.

The Tone Scale in Full

The Tone Scale

Understanding is composed of Affinity, Reality and Communication. This triangle tells us that the co-existent relationship between affinity, reality and communication is such that none can be increased without a resulting increase in the other two and none can be decreased without decreasing the other two. Of the three, communication is by far the most important. Affinity and reality exist to further communication. Under the heading of affinity we have, for instance, all the varied emotions which go from apathy at 0.1 through grief, fear, anger, antagonism, boredom, enthusiasm, exhilaration and serenity in that order. It is affinity and this rising scale of the characteristics of emotion which give us the Tone Scale.

Scientology 0-8. The Book of Basics

Daily do list from Ron

Here's a brief quote from Professional Auditor's Bulletin (PAB) No. 6, which I offer as a fair use quote for educational purposes:

"Now you happen to be using a body. Before we worry about your mind let's clean up the primary communication relay point, the body. And for two weeks, let's do these things:

1. Clean up your MEST, get done the various odd jobs you've "been meaning to do."
2. Bring yourself up to date socially and give a letter or a ring or a personal call on people you've neglected.
3. Take a one-hour walk every day, simply starting away from home very early (dawn is best) for half an hour and then walk back, a different direction every day. (If you can't walk, get out in the yard and throw things for half an hour. If you can't throw, spit at something for half an hour -- and I mean throw and spit literally.)
4. Get a physical examination and if anything is chronic get it cured.
5. Take twice a day 100 mg. of B1 (200 mg. total) and supplement it with 250 mg. of vitamin C.

If you will do these things, you will be ready in a couple of weeks for some auditing. And if you feel you're in such top condition you need no auditing, I dare you to do the above and feel the change."

Regain your **ABILITY and POWER** as a Thetan

by L. Ron Hubbard

INTENTION. The ability to intend. And intention contains in it every power the Thetan has. The ability to throw a lightning bolt. The ability to hold something in position. The ability to make some thing continue. The ability to do away with something. Strength. Accomplishment. Power. Wit. Ability. These things are all wrapped up in the one common denominator of INTENTION.

You've been able to do this in recent times. It baffles you sometimes when a piece of MEST does not instantly and immediately obey, but it's simply a matter of intention.

You intend something to happen and it happens. This is the ability to intend. And that is all there is to a thetan's power - there is no more to his power than that.

Intention is everything in case recovery. A person is as weak as his intentions are blunted. He will become as strong as his intentions are free. The greatest holder-backer of intention is the person himself. If he is regaining his power or ability or something like that, he's merely moving out of his road what blunts his intention and what has blunted his intentions, and that's all he is really doing.

Well, now he can go all the way, that is well within his grasp, and if he walks along a certain path and doesn't keep jumping off the cliff and so-forth, why he will arrive.
